

Gina G. Sleilati, M.D.

Professional Experience:

Assistant Professor	Department of Medicine, Division of Endocrinology Wayne State University, Detroit, MI	2002-Present
Fellow	Department of Endocrinology and Metabolism Henry Ford Hospital, Detroit, MI	1999- 2001
Resident	Department of Internal Medicine Henry Ford Hospital, Detroit, MI	1997- 1999
Intern	Department of Internal Medicine Henry Ford Hospital, Detroit, MI	1996- 1997
Sub-Intern	Hotel-Dieu de France Hospital, Lebanon	1995- 1996

Education:

Medical School:	St Joseph University School of Medicine, Lebanon “Medicine Doctor Diploma”,	1989- 1996 1996
Undergraduate:	“Notre Dame” High School, Jamhour-Lebanon “Baccalaureate of Secondary Education- Mathematics And Physics Sciences”, Academy of Lyon, France	1987- 1989 1989

Certification and Licensure:

American Board of Endocrinology:	Passed, First attempt, Score: 161/200	2001
AACE Accreditation Course for Thyroid Ultrasound and Ultrasound Guided FNA Biopsy		2001
American Board of Internal Medicine:	Passed, First attempt, Score: 289/330	
	Top 10% in the USA	1999
USMLE Step 3:	Passed, First attempt, Score: 81	1997
USMLE Step 2:	Passed, First attempt, Score: 87	1995
USMLE Step 1:	Passed, First attempt, Score: 84	1994
Advanced and Basic Cardiac Life Support:	Provider	Present-2004
State of Michigan, Board of Medicine Physician License		Present-2005
State of Michigan, Board of Pharmacy Controlled Substance License		Present-2005

Honors and Awards:

- Endocrine Fellows Foundation preceptorial program at the National Institutes of Health 2001
- Endocrine Fellows Foundation preceptorial program at the International Diabetes Clinic 2000
- Second position for Poster Presentation, 7th Annual Resident and Fellow Research Forum, Henry Ford Health Sciences Center 2000
- ADA Endocrine Fellows Conference Travel Award 2000
- University of Cincinnati Travel Award for “Current Concepts In Thyroid Cancer” 2000
- American Board of Internal Medicine: Top 10% in the USA 1999
- Medical School Graduation Exam: Ranked Third in a class of 80 1996
- Medical School Admission Test: Ranked First in 1800 applicants 1989
- Medical School Dean’s List: 1989 through 1996
- Baccalaureate of Secondary Education-
Mathematics and Physics Sciences: Ranked Second in Lebanon 1989
- High School Graduation Exam: Ranked First in a class of 260 1989

Bibliography:

Basic Research:

“The Role of Opioids and Opioid Receptors in Obesity and Cardiovascular Dynamics”,
Department of Physiology, Wayne State University, Detroit, Michigan. 2002

“The Polymorphism of ACE Gene Promoter and its Correlation with Serum Level and
Severity of Disease in Sarcoidosis”,
Department of Internal Medicine, Henry Ford Hospital, Detroit, Michigan. 1997

Clinical Research:

“Mild Congenital Hypothyroidism Characterized by Persistent Hyperthyrotropinemia
In Children”, Department of Pediatric Endocrinology, Henry Ford Hospital, Detroit, Michigan. 2001

“Meta-analysis of the Risk of Fractures in Mild Primary Hyperparathyroidism”
Department of Endocrinology, Henry Ford Hospital, Detroit, Michigan. 2001

“The Impact of Staging Methods on Decision for Surgery in Lung Cancer”,
Department of Medicine, Hotel Dieu de France Hospital, Beirut, Lebanon. 1989

Publications and Presentations at Professional Meetings:

Pitta S., Mahakala A, Kleerekoper M, Sleilati G, American Association of Clinical Endocrinologists 12th
Annual Meeting and Clinical Congress, “Management of a mediastinal parathyroid adenoma with severe
symptomatic primary hyperparathyroidism in an elderly patient” , San Diego, California, May 2003.

Sleilati G, Endocrinology Seminar, “Adrenal Insufficiency, A Focus on the Critically Ill Patient”, Bon
Secours-Cottage Hospital, Grosse Pointe, Michigan, May 13, 2003.
